The applicant shall be notified of any permit conditions at the time the application is approved and of his/her right of appeal of the permit conditions. SECTION 7. Grounds for Denial of Application.

- A. The Township shall approve an application for a Special Event permit, unless it is determined from a consideration of the application or other pertinent information that:
 1. Information contained in the application or supplemental information requested from the applicant is found to be false in any material detail.
 2. The applicant failed to complete the application form after having been notified of the additional information or documents required.

Another special event permit application has been received prior in time or has already been approved to hold another event at the same time and place requested by the applicant or so close in time and place as to cause undue traffic congestion or a circumstance such that police or medical services are unable to meet the needs of both events.
 5. The time, route or size of the event will substantially interrupt the safe and orderly movement of traffic contiguous to the event site or route or disrupt the use of a street

- at a time when it is usually subject to great traffic congestion.
6. The concentration of persons, animals and vehicles at the site of the event or the assembly and disbanding areas around an event will prevent proper emergency services access to areas proximate to the event.
 7. The location of the event will substantially interfere with any construction or maintenance work scheduled to take place upon or along the Township streets or a previously granted encroachment permit.
 8. The event will occur at a time when a school is in session at a route or location adjacent to the school or class thereof and the noise created by the activities of the event would substantially disrupt the education activities of the school or class thereof.

B. When the grounds for denial of an application for permit specified above can be corrected by altering the date, time duration, route or location of the event, the Township shall, instead of denying the application, conditionally approve the application upon the applicant's acceptance of conditions for permit issuance. The conditions imposed shall provide for only such modification of the applicant's proposed Special Event as are necessary to achieve compliance with the requirement of the West Vincent Township Special Event Ordinance.

SECTION 8. Conditions of Issuance.

The Township may condition the issuance of a Special Event permit by imposing reasonable requirements concerning the time, place and manner of the event and such requirements as are necessary to protect the safety of persons and property and the control of traffic, provided that such conditions shall not unreasonably restrict the right of free speech. Such conditions include:

1. Alteration of the date, time, route or location of the Special Event proposed on the application.
2. Conditions concerning the area of assembly and disbanding of a parade or other Special Event occurring along a route.

14. Unless advance approval is obtained, the standard hours of operation shall be as follows:

Monday through Thursday	10:00 a.m. to 10:00 p.m.
Friday and Saturday	10:00 a.m. to 11:00 p.m.

15. The good repair and operating order of all fire protection and life safety systems in accordance with the current edition of the International Fire Code to the satisfaction of the designated Township Code Official.
16. Written approval of the designated Township Code Official by the Board of Supervisors relating to the adequacy of the sanitary toilet facilities and sewage disposal facilities at a Special Event as described in the applicant's application.
17. Public Safety:

Applicant(s) shall demonstrate that a plan, and means to implement the plan, exists to provide for the adequate implementation of the following facilities:

Prior to the issuance of a Special Event permit, the permit applicant and an authorized officer of the promoting organization, if any, must sign a Reimbursement Agreement with the Township for any costs incurred by it in repairing damage to the Township property occurring in connection with the permitted Special Event caused by the actions of the permittee, its officers, employees or agents or any person who was under the permittee's control insofar as permitted by law. The Agreement shall also provide that the permittee shall reimburse the Township for additional costs incurred by the Township for Township services provided including but not limited to Police and Public Works Services. The agreement shall also provide that the permittee shall defend the Township against and indemnify and hold the Township harmless from any liability to any persons resulting from any damage or injury, including attorney's fees, occurring in connection with the permitted Special Event proximately caused by the actions of the permittee, its officers, employees or agents or any person who was under the permittee's control insofar as permitted by law. Persons who merely join in a parade or event are not considered by that reason alone to be under the control of the permittee.

- B. Certificates of Insurance issued by an insurance company licensed to do business in Pennsylvania, evidencing Comprehensive General Liability, or Special Event Public Liability, in an amount of at least \$1,000,000 (one-million dollars) for personal injury and property damage shall be required. In the case of an event that creates the possibility of special hazards, the Board of Supervisors, in consultation with the Township Solicitor and the township insurance consultant, may require insurance with higher policy limits than set forth above. A copy of the policy or a certificate of insurance, along with all necessary endorsements, must be filed with the Township no less than 20 days before the date of the event. All such Certificates of Insurance shall list the Township as an additional insured.

SECTION 10. Conduct at Special Events.

- A. Special Event permittees shall maintain the sanitary and sewage facilities, parking facilities, security and traffic control personnel, medical service facilities and other facilities and utilities provided in accordance with the plans submitted and approved and in a safe and healthful manner.

- B. No permittee, or persons having control of the Special Event shall condone any illegal conduct on the premises including, but not limited to, disorderly conduct or illegal possession, sale, or the unlawful use of intoxicating beverages or drugs.

- C. The burden of preserving order during the Special Event is upon the permittees of the Event. Any violations of the laws of the Commonwealth of Pennsylvania, or its rules and regulations, or of the terms and conditions of the West Vincent Township Special Event Ordinance, or other ordinances of Chester County or of the Township, or of the

conditions of the permit granted hereunder may be cause for immediate revocation of the permit by the Township upon notification to the person in charge that a violation exists and the failure of the person in charge to take immediate action to correct the violation. Upon revocation of any permit, the permittees of the Special Event shall immediately terminate the assembly and provide for the orderly dispersal of those in attendance.

- D. The Township, its authorized agents and representatives, shall be granted access without charge to the Special Event at all times for the purpose of inspection and enforcement of the terms and conditions imposed herein:
1. Unless advanced approval is obtained, no entertainment, amusement, or use of sound amplification equipment shall be provided or permitted between the hours of 10:00 p.m. and 1:00 p.m. Sundays; 10:00 p.m. and 10:00 a.m. Monday through Thursday and 11:00 p.m. and 10:00 a.m. Friday and Saturday.

 3. At the conclusion of the permitted time period for the Special Event, the permittee shall terminate the assembly or gathering and shall supervise the orderly dispersal of those in attendance. No one shall be permitted to remain overnight on the licensed premises, except permanent residents, unless temporary overnight accommodations were previously approved by the Township, in writing, pursuant to the application process of the West Vincent Township Special Event Ordinance.

SECTION 11. Conformance with Other Law.

The West Vincent Township Special Event Ordinance shall in no way be a substitute for, nor eliminate the necessity of, complying with any and all United States and Commonwealth laws, rules and regulations, County and Township ordinances which are now, or may be in the future, in effect which pertain to the conduct of Special Events.

SECTION 12. Revocation of Permit.

Non-compliance with any portion of the Special Event permit or the West Vincent Township Special Event Ordinance may constitute a basis for the immediate revocation of the permit by the appropriate Township Code Official designated by the Board of Supervisors and the Police Department of West Vincent Township.

SECTION 13. Fees

- A. **Application Fee.** The application for a permit shall be accompanied by a nonrefundable permit application fee, established by Resolution, which shall cover the actual full costs, or a portion thereof, of processing and investigating applications and administering the Special Event permit program.
- B. **Cleanup Deposit.** The applicant for a Special Event to be held on public property or on a public street, right-of-way or alley may be required to provide a cleanup deposit prior to the issuance of a Special Event permit. The cleanup deposit shall be returned after the event if the area used has been cleaned and restored to the same condition as existed prior to the event. If the property used for the event has not been properly cleaned or restored promptly following the end of the event, the permittee shall be billed for the actual cost by the Township for cleanup and restoration, and the cleanup deposit or a portion thereof shall be applied toward payment of the bill. If the permittee disputes the bill, he/she may appeal to the Township within 10 days after the mail date of the bill. Should there be any unexpended balance on deposit after completion of the work, this balance shall be refunded to the permittee. Should the amount of the bill exceed the cleanup deposit, the difference shall become due and payable to the Township upon billing.

SECTION 14. Penalties.

- A. Any person, association, partnership, firm, corporation, joint venture, or any other legal entity who initiates, organizes, promotes, permits, conducts, or causes to be advertised a Special Event without obtaining the permit provided in the West Vincent Township Special Event Ordinance, or who knowingly conducts, permits, or allows a Special Event with a permit but in violation of the terms and provisions of the West Vincent Township Special Event Ordinance or of the permit granted, or who shall counsel, aid or abet such violation or failure to comply, upon conviction thereof by any Magisterial District Justice, shall be subject to a fine of not more than \$1,000 (One-Thousand Dollars), together with costs and attorney fees. In default of the payment of any fine, the defendant shall be sentenced to jail for a period not exceeding thirty (30) days.
- B. Nothing herein contained shall preclude the Township from instituting proceedings at law or in equity, seeking any attorney fees and costs, to prevent and/or cease the operation of a Special Event not in conformity with the terms and provisions of the West Vincent Township Special Event Ordinance.

SECTION 15. Waivers.

- A. Any person who desires a waiver of any provision hereof or of the application of this Ordinance as a whole to any event or gathering, which may constitute a Special Event may apply to the Board of Supervisors for such relief. The Board of Supervisors may, but shall not be required to, grant any waiver requested, with or without conditions. Waiver requests may be granted, in the sole discretion of the Board of Supervisors based on a showing of: a) the positive impact of the event or gathering on the community; b) the civic

or charitable nature of the event or of the event sponsor; or c) for any other reason deemed appropriate by the Board of Supervisors. In no event shall a waiver be granted if the waiver granted is likely to result in an event or gathering being unsafe or disruptive to the quality of life of the residents of the Township.

- B. The provisions of the West Vincent Township Special Event Ordinance shall be severable, and if any provisions hereof shall be held to be unconstitutional, invalid, or illegal, by any court of competent jurisdiction, such decision shall not affect the validity of any of the remaining provisions of the West Vincent Township Special Event Ordinance. It is hereby declared as legislative intent that the West Vincent Township Special Event Ordinance would have been enacted as such unconstitutional, invalid, or illegal provisions not been included herein.
- C. All Ordinances of parts of Ordinances which are inconsistent herewith are hereby repealed.
- D. The West Vincent Township Special Event Ordinance shall become effective five (5) days from enactment.
- E. The failure of the Township to enforce any provision of this Ordinance shall not constitute a waiver by the Township of its rights of future enforcement hereunder.
