6. Back-Lit illuminated signs shall employ either translucent materials or backlighting only, and provided the lighting source complies with all other requirements of this chapter. Illumination shall be permitted for individual or groups of letters on a sign face or individual internally illuminated letters or backlit letters, but the backlighting of an entire sign face shall not be permitted.
7. No sign may be erected with exposed electrical wires.
8. Strings of bulbs are not permitted, except as part of a holiday celebration or temporary seasonal decorations.
9. No artificial light or reflecting device shall be used as a part of a sign where such light or device interferes with, competes for attention with, or may be mistaken for a traffic signal.

11. All signs shall comply with the applicable requirements of adopted construction codes in effect at the time of installation.
12. In addition to the regulations of this section, illuminated signs shall comply with all applicable provisions of Code of the Township of West Vincent.

6. The sign shall be equipped with automatic day/night dimming to reduce the illumination intensity of the sign from one hour after sunset to one hour prior to sunrise.

8. The use of animation, sound, and/or full-motion video is prohibited.
9. All signs shall comply with the applicable requirements of adopted construction and electrical codes in effect at the time of installation.

SECTION III

- A. In the event that any section, subsection or portion of this Ordinance shall be declared by any competent court to be invalid for any reason, such decision shall not be deemed to affect the validity of any other section, subsection or portion of this Ordinance. The invalidity of section, clause, sentence, or provision of this Ordinance shall not affect the validity of any other part of this Ordinance, which can be given effect without such invalid part or parts. It is hereby declared to be the intention of the Township that this Ordinance would have been adopted had such invalid section, clause, sentence, or provision not been included therein.
- B. To the extent this Ordinance is inconsistent with the Code of the Township of West Vincent, the provisions of this Ordinance shall take precedence. All Ordinances or parts of Ordinances in conflict herewith are hereby repealed.
