Kip passes out initiatives

Not enough people to do the minutes

Can't vote

Kip: update: 2025-2030 Initiatives

36 items, no new ones. Some details & wording changed. Jim W is leaving 3/30. Need to vote it in soon. Projects are all collective & not just run by sustainability.

Dana: Should committee prioritize initiatives for the year?

How do we collaborate with other committees?

One attendee left after asking above question.

Tom is very unwell.

Chris is going to help Kip send Pages document to Jack to proofread.

Have the initiatives numbered in order, per category.

Dana says we don't need to vote on, it's a living document.

Outreach on social media:

Create pages with name not "west vincent", but share to WVT website. Create relevance & consistent posts.

Chris is going to reach out to Patty Lynn re waste management
