## WEST VINCENT TOWNSHIP MONTHLY UPDATE

### MAY 2026

#### On the Agenda

On May 4 the Board of Supervisors will continue a conditional use hearing to consider a proposed residential development at Pottstown Pike, Lexington Boulevard, and Birchrun Road. The plan includes 28 single-family detached homes and 46 townhomes. The traffic engineer for the developer (Pulte) is expected to discuss a long-planned extension of Lexington Boulevard to Pottstown Pike, and the installation of new traffic signal at this intersection. If conditional use approval is granted, Pulte will begin preparing fully-engineered plans for Township review throughout the coming months.

The Board will also meet on May 18, a regularly-scheduled Business Meeting. Not on this meeting's agenda is Toll Mid-Atlantic's plan for 46 single-family detached home subdivision at South Chester Springs Road and Conestoga Road. This plan, still under review, is tentatively scheduled for consideration at the Board's meeting on June 15. But if you love talking cable franchise agreements – and who doesn't? – join us on May 18, as the Board will consider a ten-year deal with Comcast on this evening.

If the Planning Commission meets this month, it will meet to discuss the Toll Mid-Atlantic subdivision, and an ordinance to restrict the sale of dogs and cats in pet stores.

The Zoning Hearing Board returns on May 20 to continue its consideration of an application to install a sign along Pottstown Pike, at property owned by the Ludwigs Corner Fire Company.

Meeting agendas are posted to [westvincenttpw.org](http://westvincenttpw.org) no later than the Friday before each meeting. Check it out!

#### Register for HHW Collection Now!

Chester County's 2026 Household Hazardous Waste collection program is now underway. There's no cost to Chester County residents, but all folks must register to participate... and this year's first collection event was "sold out"!

The closest collection event will be held in Downingtown, on Sunday, October 4. Register [here](#). The MLB playoffs will be in full swing this weekend, so the timing is perfect for Phillies fans looking for something to do on this day.

The Fellowship Trail project has been completed, and the trail is now open to the public. Wake-up Fido, grab a leash, and check it out.

Improvements at Opalanie are almost completed! All finishing touches are expected to be added in the coming days.

#### Fellowship Road Closure Update
