

PESTICIDE ALERT

<https://westvincenttwp.org/pesticide-alert/>

Become Informed on Pesticides in your Neighborhood

Visit the West Vincent Township website link to learn how to identify landscape pesticides in use near your home or work, view information on pesticide toxicity to children, pets and the environment, research on specific chemicals and tools for implementing safer landscape practices. *Pesticides is a general term that includes herbicides, insecticides, rodenticides, and fungicides.*

These resources are shared courtesy of the nonprofit Beyond Pesticides.
