West Vincent Township Monthly Update

NOVEMBER 2026

On the Agenda

At its November 16 Business Meeting the Board of Supervisors will consider the proposed 2027 Budget, in specific authorizing the budget to be advertised for adoption in December. State Law requires all Township budgets be advertised for public inspection at least 20 days before the budget is adopted... West Vincent Township posted its proposed budget to our website in early September.

Part of the budget discussions will include continued consideration of a dedicated fire and emergency services tax for the coming year. West Vincent Township is currently served by three volunteer fire companies and two ambulance companies. Increasing the support provided to local responders is one of the ways municipalities are working to keep the volunteer model as viable as possible for as long as possible. A resolution to adopt the tax will be considered on this evening. If approved, a property valued at $1.1 million would pay approximately $250 more in property tax each year.

The Planning Commission will meet on November 17 to consider a Conditional Use Application to permit horse shows, and to grant other allowances, at a local horse farm. The Zoning Hearing Board will meet on November (date TBD) to consider a request for setback, and other relief, for single-family home. Both meetings will be at the Township Building, at 7pm.

Other Township commissions, councils, committees, and boards will meet this month. Meeting agenda are posted to westvincenttwp.org no later than the Friday before each meeting. Check it out!

Fall Fest Recap

Fall Fest at Opalanie Park on October 10th was a resounding success, blessed with brilliant weather and a fantastic turnout!

Attendees enjoyed canine demonstrations, live bluegrass music from the Nightbirds Callin' Band, pumpkin decorating, a treasure hunt, food trucks, vendors, a petting zoo, and popular pony and hayrides. Enlightening nature talks were also hosted at the outdoor classroom, featuring speakers Charlene Briggs and Carl Mantey.
The festivities concluded with a special dedication celebrating former Owen J. Roberts student Lorien Duskie and art teacher Tracey Schiavello for their beautiful new mural on the park's public works building.

The Township extends heartfelt thanks to all participating residents, businesses, and dedicated groups—including our own Environmental Advisory Council, Parks & Recreation Commission, Open Space Review Board, Ludwig's Corner Fire Company, Uwchlan Ambulance, and Township Historian Cindy Clark.
Mark your calendars for the return of Fall Fest on October 9, 2027!
